Please use the enclosed map to locate your assigned booth space.

Dear (Vendor),

We're excited to welcome you to Lincoln Days 2026! Thank you for being part of this year's festival and helping us create a fun and memorable weekend for our community and visitors. Below you'll find the important information you'll need for setup and throughout the weekend. We're looking forward to having you with us!

Setup and Arrival

- **Friday setup begins after 5:00 p.m. Friday, October 2.** Each vendor is assigned a **10' x 10' booth space in the grassy area between the Creekfront parking lot and Tonieville Road.** Booth spaces will be clearly marked in the grass so you can locate your assigned space.
- Vendors are welcome to set up their **tent, tables, and chairs Friday evening.** The **Hodgenville Police Department** will patrol the Creekfront area on a regular basis throughout the weekend.
- All vendors must be **completely set up and ready by 9:00 a.m. Saturday, October 3.**
- **Saturday vendor entrance:** Creekfront vendors **MUST enter Tonieville Road from Lincoln Parkway.** Jamie Skaggs with the **LaRue County Sheriff's Department** will be stationed at the barricade. Let him know that you are a **Creekfront vendor** so that you can pass through for setup.
- Tonieville Road is used for **Lincoln Days Parade lineup** on Saturday. You may drive to your booth area to unload, but vehicles cannot remain along Tonieville Road during parade lineup.
- After unloading, move your vehicle to the **grassy area between Tonieville Road and Hamilton Heights Avenue.** Be sure to **offload everything you will need until approximately 3:00 p.m.,** when the parade usually concludes. During parade lineup, you will not be able to drive your vehicle back to your booth space.
- **If you absolutely need to leave during parade lineup,** you may exit using **Hamilton Heights Avenue → Orchard Road → Hamilton Acres → KY 210.** Please keep in mind that **parking is not reserved.** If you leave, there is a very good chance that a parking space will not be available when you return.
- The parade **usually concludes by approximately 3:00 p.m.** Once the parade has concluded, vendors are welcome to move their vehicles and **park along Tonieville Road.**

Booth Requirements

- Lincoln Days provides the **assigned booth space only.** Vendors are required to bring **everything they need,** including their own tent, tables, chairs, displays, supplies, and any other equipment needed to operate their booth.
- **Electricity is not available at the Creekfront vendor booths, and generators are prohibited.**
- Because booths are located in the grass, **tents may be staked into the ground.** Please make sure your tent is properly secured and prepared for changing weather conditions.
- Be courteous to neighboring vendors and keep your space neat and free of hazards.
- **Smoking is not permitted within your booth space.**
