YOUR BOOTH ASSIGNMENT: # _____

Use the enclosed map to locate your assigned space.

Dear (Vendor),

We're excited to welcome you to Lincoln Days 2026! Thank you for being part of this year's festival and helping us create a fun and memorable weekend for our community and visitors. Below you'll find the important information you'll need for setup and throughout the weekend. We're looking forward to having you with us!

Setup and Arrival

- Setup for vendors located in the Lincoln National Bank parking lot begins at 7:00 p.m. Friday, October 2. Please do not arrive before 7:00 p.m. Because your booth area is in the bank's parking lot, we must allow time for the bank to close and for all employees to leave the property before vendor setup can begin. Security will be present, and vendors arriving before 7:00 p.m. will be turned away until the designated setup time. We greatly appreciate Lincoln National Bank allowing us to use its property for Lincoln Days, and we must be respectful of the bank's operations and space. We are equally appreciative of our vendors and do not want to have to turn anyone away, so please plan your arrival for 7:00 p.m. or later. Diana will be onsite to help you find your assigned space.
- Booths must be set up and vehicles removed before the festival opens at 8:00 a.m. Saturday, October 3.
- Vendor entrance: Use 106 N. Greensburg St., Hodgenville, KY in your GPS. This will direct you to the entrance for the Lincoln National Bank parking lot, where your vendor area is located.
- After unloading, please move your vehicle and trailer out of the vendor area and park in an available public parking space. The parking lot above Sweet Shoppe cannot be used for vendor vehicle or trailer parking after unloading. That area must remain clear because it will be used for the bounce houses and the Railsplitter Run.

Booth Requirements

- Lincoln Days provides the assigned booth space only; bring your own tent, tables, and chairs.
- Generators are prohibited. Electricity has already been coordinated for vendors who requested it.
- Do not stake tents into the parking lot. Bring appropriate tent weights.
- Be courteous to neighboring vendors and keep your space neat and free of hazards.
- Smoking is not permitted within your booth space.
