Please use the enclosed map to locate your assigned booth space.

Dear (Vendor),

We're excited to welcome you to Lincoln Days 2026! Thank you for being part of this year's festival and helping us create a fun and memorable weekend for our community and visitors. Below you'll find the important information you'll need for setup and throughout the weekend. We're looking forward to having you with us!

Setup and Arrival

- **Friday setup begins after 5:00 p.m. Friday, October 2.** Each vendor is assigned a 10' x 10' booth space in the grassy area near Vibe Coffee. Booth spaces will be clearly marked so you can locate your assigned space.
- Vendors are welcome to come Friday evening to set up their tent, tables, and chairs. The Hodgenville Police Department will conduct continuous patrols throughout the festival area during the weekend.
- **All vendors must be completely set up and ready by 8:00 a.m. Saturday, October 3.**
- **Saturday morning access:** Vendors will need to access the booth area from the Walters Avenue and Water Street intersection.
- The parking lot immediately behind your booth area is designated as handicapped parking for the festival. To help preserve as much accessible parking as possible, we ask that vendors limit parking to one vehicle per booth whenever possible.

Booth Requirements

- Lincoln Days provides the assigned 10' x 10' booth space only. Vendors are responsible for bringing their own tent, tables, chairs, displays, supplies, and anything else needed to operate their booth.
- Because these booths are located in the grass, tents may be staked into the ground. Please make sure your tent is properly secured and prepared for changing weather conditions.
- **Generators are prohibited.**
- Be courteous to neighboring vendors and keep your space neat and free of hazards.
- **Smoking is not permitted within your booth space.**

Festival Information

- Vendors must be set up and ready for customers by 8:00 a.m. Saturday and are encouraged to remain open until after 4:00 p.m.
- Vendors are welcome to depart before 4:00 p.m. if needed, provided that bringing a vehicle into the booth area can be done safely and does not interfere with pedestrian traffic.
- **Sunday setup is optional.** Vendors who choose to set up on Sunday should be aware that this area of the festival does not receive as much foot traffic on Sunday. If you choose to open, we recommend being set up and open between 11:00 a.m. and noon. The festival concludes at 4:00 p.m. Sunday.
- The festival continues during rain. Prepare for Kentucky's unpredictable weather; vendors will be notified of any weather emergency.

Festival Services

- Restroom locations are marked on the vendor map.
- Trash receptacles will be available throughout the festival area. Please keep your booth space clean and properly dispose of all trash before leaving.
